## NEWS RELEASE

FOR IMMEDIATE RELEASE

**Glens Falls, NY-** Danfoss Flomatic Corporation is proud to introduce their new Silver Check Stainless Steel Check Valves, another unleaded alternative. This program now includes their most popular models. Every model that is manufactured in unleaded bronze is now available in stainless steel. These valves are available in a variety of types, including the Model 812X Wafer Check, featuring an all 316 stainless steel design. Their most famous Model 80 is also available now in stainless steel.

For more information, please call Danfoss Flomatic Corporation at 1-800-833-2040. You will also find detailed information on these products and all of their products at [www.flomatic.com](http://www.flomatic.com) or please feel free to email them at [flomatic@flomatic.com](mailto:flomatic@flomatic.com)
